

The Edible Study

NEWSLETTER

Issue No. 3 (Apr 17)

CONGRATULATIONS

Ospedale Pediatrico Bambino Gesù, Rome & Children's Hospital Meyer, Florence recruited 1 patient each. We would like to congratulate the local teams and to thank them for the amazing job their doing.

OPENING SITES

Currently there are 8 sites open to recruitment.

OPENING MAY 2017:

- **Motol University Hospital** in Prague, Czech Republic
- **Hôpitaux Universitaires de Genève** in Geneva. Switzerland

OUTREACH

Website revamp

We are about to radically change the layout and appearance of our website

<http://www.edible.org.uk/>

Changes include: a modern feel, user friendly interface, extra information, and educational videos.

Recruitment poster

A poster to be placed in waiting areas, clinics, receptions etc. in participating sites has been designed. Once ethics approval is granted this can be used to advertise the trial and attract patients.

REMINDERS

1. Before gaining access to OpenClinica to carry out data entry you need to complete the required testing.
2. Remember that the CTSC fax number has changed. If using from within the UK dial 0151 795 8770. If using from outside the UK dial 0044 151 795 8770.

NEW PROCESSES

Randomisation system

All access to the online randomisation system has been revoked. **To randomise a patient call +44 (0) 151 794 9774.**

You will need:

- The protocol version you are using.
- Patient initials, birth and consent dates and screening number.

Acknowledgment receipts

GOOD NEWS – you no longer need to complete the lengthy acknowledgement receipts.

Quality checks are now carried at the CTSC and all you need to do is to respond to our email listing all the documents you received.

RESEARCHERS' TELECONFERENCE

The researchers' teleconference took place on

Monday 10th April 11:00 am (UK time).

Thank you to all participants for attending and contributing to the discussion.

Please file your attendance **certificates** in the ISF.

A **video** of the session is available in MP4 format upon request.
